

Addies Acres, LLC
Philosophy

We consider it a privilege to serve those in need and unable to help themselves. We believe every life is precious and deserves the opportunity to thrive. Service is our purpose. Service Excellence and Improvement are essential priorities requiring:

- On-going, urgent attention
- Observance of high ethical standards
- Fact, research and performance based decisions
- Flexibility
- Compassion

Addie's Acres, LLC

Accepts for admission senior adults with special needs associated with aging or conditions such as diabetes, congestive heart failure, stroke, Alzheimer's and dementia.

Our Mission

Is to promote the health, independence and quality of life of seniors with special needs.

We accomplish this mission by providing a carefully selected variety of services including:

- A safe, comfortable environment, meals and care in a peaceful country setting
- Furnished semi-private rooms, private rooms or suites of various configurations
- Healthy meal plans for individuals with particular dietary requirements
- 24-hour supervision and care including medication administration, assistance with bathing, dressing, ambulation, laundry and housekeeping
- Oversight by an RN with extensive experience in elder care
- Personal pager, emergency call and surveillance systems
- Barber and hairdresser services on-site
- Pet friendly accommodations

Our staff is trained in the special needs of seniors with various medical conditions such as:

- Diabetes,
- Congestive Heart Failure
- Stroke
- Alzheimer's
- Dementia Related Conditions
